## Champagne and Wine

### Champagne

#### **2012 Piper-Heidsieck Brut Vintage, Champagne, France**

*Champagne is celebrated the world over and Piper-Heidsieck is one of the most recognizable and famous Houses of the region. As with most Houses, the majority of production is non-vintage. However, they also make a small quantity of highly prized vintage champagne in the best years that reflects the growing conditions of a single season. 2012 was considered an exceptional year as the wines are long living with excellent acidity and flavour concentration. This wine made by chef de cave Regis Camus is a blend of 52% Pinot Noir and 48% Chardonnay sourced from approximately 18 Grand and Premier Cru sites. An excellent champagne from a highly rated vintage.*

### White

#### **2018 Wairau River Sauvignon Blanc, Marlborough, New Zealand**

*Marlborough, in the north of the South Island, is New Zealand's most famous wine region. Not only is it beautiful, it is home to many of the world's most distinctive and expressive Sauvignon Blanc wines. The Wairau River winery (pronounced why-row) was established in 1978 by Phil and Chris Rose. Today, they are joined by their five children and extended family, including winemaker Sam Rose –so it remains very much a family affair. All wines are made from their own vineyards. This gold medal-winning wine is a classic Marlborough Sauvignon Blanc - pale in colour, with a distinctive leafiness, linear acidity and overall freshness. Delicious.*

#### **2018 Stonier Chardonnay, Mornington Peninsula, Australia**

*The Mornington Peninsula, about one hour's drive south of Melbourne, is a popular destination for beach holidays and wine tourism. Because the Peninsula is surrounded on three sides by water, the climate is cool, maritime and particularly well suited to growing top quality Chardonnay. The first Stonier vineyard was planted in 1978, making them one of the pioneers of the region. Today, they focus on two grape varieties only – top quality Chardonnay and Pinot Noir. This wine, made by the winemaking team of Mike Symons and Will Byron, combines bright fruit vibrancy with subtle French oak seasoning to produce an excellent example of modern Australian Chardonnay.*

## Champagne and Wine

### Red

#### **2016 Château Bernadotte, Haut-Médoc, Bordeaux, France**

*Château Bernadotte has a colourful history. One of its original owners was appointed King of Sweden by Napoleon. It was more recently bought by Pichon Lalande, subsequently owned by Champagne Roederer, and is now the property of successful Hong Kong businessman Antares Cheng. Bernadotte is beautifully sited on deep gravel soils only a kilometre west of the great Les Forts de Latour in Pauillac. The consultant winemaker is Hubert de Bouard of Saint-Émilion superstar Angelus. 2016 is a fantastic vintage in Bordeaux, possibly the best this century, and the Bernadotte is impressive. The wine manages to be scented, yet dark and rich, with powerful flavours of blue plums, liquorice and vanilla, while managing to hold onto an appetising stony dryness.*

#### **2016 Henschke Henry's Seven, Eden Valley, Australia**

*Whilst technically part of the Barossa, Eden Valley is much higher and cooler than the main valley. As a result, the red wines are generally medium bodied and restrained. Henschke, established in 1888, is today one of Australia's oldest and most revered winemakers. Henry's Seven is a blend of Shiraz, Grenache, Mataro and the white variety viognier, proving that with wine the sum is often greater than the parts. The wines were aged in old French hogsheads prior to bottling. Named in honour of Henry Evans, who planted a 7-acre vineyard in Keyneton in 1868, this wine is a classic medium bodied red showing spicy plum characteristics and soft tannins. A delicious softer blend from both a top producer and a well-regarded vintage.*

OR

#### **2017 Dandelion "Lionheart of the Barossa" Shiraz, Barossa Valley, Australia**

*The Barossa, around sixty kilometres north of Adelaide, is Australia's most famous wine region, with a strong international reputation for rich and powerful Shiraz wines made from ancient gnarled bush vines. The climate is warm, dry and Mediterranean, hence the richness of the wines. Dandelion is an exciting partnership between wine renaissance man Zar Brooks and his talented winemaker wife Elena. Whilst they make wines from various South Australian regions, Dandelion focusses on old vineyards that have stood the test of time combined with artisanal and traditional winemaking. This wine is a fine example of modern Barossa Shiraz – deeply coloured with ripe mocha aromatics combined with a generous but well-structured palate and soft finish.*

#### **2012 Bodegas LAN Viña Lanciano Reserva, Rioja, Spain**

*Rioja is Spain's most famous wine. It comes from a wild and proud region, through which runs the mighty River Ebro. Although a region of fabulous tradition, a new generation is changing Rioja's wines. Almost for the first time, wines are now being bottled as single vineyard expressions. Bodegas LAN owns the Lanciano vineyard, an impressive outcrop of gravel and sand gazing down on a wide, lazy loop of the river, where 60-year old vines give a wine of fabulous style. 2012 was a warm, dry year, producing a Lanciano of great concentration and*

*dark, ripe fruit, which is now softening into a deep, satisfying plum and chocolate maturity.*

### Fortified

#### **Morris Classic Liqueur Muscat, Rutherglen, Australia**

*The extraordinary Muscat wines of Rutherglen in North East Victoria are amongst the most revered fortified wines in the world. Described as “liquid Christmas pudding”, these wines are made from the Muscat à Petits Grains grape known locally as Brown Muscat. The primary fermentation is stopped with grape spirit before extended aging in old oak barrels where they become more concentrated and complex. Morris was founded in 1859 and the wines today are made by David Morris, who represents the fifth generation of the family. This wine is brown in colour with amazing raisin intensity, power and persistence. Remarkable.*
