Champagne and Wine

Champagne

NV Piper-Heidsieck Essentiel Extra Brut, Champagne, France

Champagne, located in the north of France, with its cool climate and chalky soil, is home to the world's most famous sparkling wines. Founded in 1785, Piper-Heidsieck is one of the oldest and best-known Champagne Houses. In 2011 it was purchased by the Descours family and has been on an impressive quality trajectory ever since. Today the winemaking is overseen by young and dynamic "chef de cave" Emilien Boutillat. Essentiel is a classic multi-vintage blend of Pinot Noir, Pinot Meunier and Chardonnay, almost 20% of the Essentiel blend is made up of older reserve wines which give the wine more complexity, richness and maturity yet still remaining fresh and bright. A famous Champagne House in full Renaissance mode.

White

Pikes Riesling Traditionale, Clare Valley, Australia

The Clare Valley, north of Adelaide, is home to some of Australia's greatest Rieslings. These long-living wines are dry, aromatic and delicious. Pikes, established in 1984 by brothers Neil and Andrew Pike, has proved to be a highly successful partnership of winemaking and viticultural talents. All their wines are well regarded, although they are best known for Riesling. This wine is fresh with limey, citrus notes and a dry finish. Unlike some sweeter wines made from this grape variety, it is outstanding food match. The name "Traditionale" implies a traditional Australian Riesling – a classic wine of purity and finesse.

2021 Louis Latour Pouilly-Fuissé, Burgundy, France

Pouilly-Fuissé is the insider's go-to region for delicious, reliable white wines from Burgundy. Located south of Burgundy's more famous regions such as Chablis and the Côte d'Or, Pouilly-Fuissé enjoys more sunshine and produces wines with delightful vibrancy and generosity. In the hands of one of Burgundy's top négociants, Louis Latour, this wine is fresh and vivacious with an array of ripe fruit flavors, including pear, peaches and rock melon. The palate is balanced and fresh with a lingering finish.

Red

2016 Clos du Moulin, Medoc, Bordeaux

Clos du Moulin traces its roots to the 19th century, with vineyards situated in St. Christoly and Couqueques, distinguished by the presence of deep gravel soil along the Gironde river. This wine embodies the strength and complexity characteristic of Médoc wines. A blend of 40% Cabernet Sauvignon and 60% Merlot, it unfolds with spiciness, a profound color, and an abundant volume, showcasing its distinctive qualities.

2020 Dandelion “Lionheart of the Barossa” Shiraz, Barossa Valley, Australia

The Barossa, around sixty kilometres north of Adelaide, is Australia’s most famous wine region, with a strong international reputation for rich and powerful Shiraz wines made from ancient gnarled bush vines. The climate is warm, dry and Mediterranean, hence the richness of the wines. Dandelion is an exciting partnership between wine renaissance man Zar Brooks and his talented winemaker wife Elena. This wine is a fine example of modern Barossa Shiraz – deeply coloured with ripe mocha aromatics combined with a generous but well-structured palate and soft finish.

2019 Quinta Do Crasto Superior Red, Douro, Portugal

If the quality of a wine was decided by the beauty of the vineyard's setting, Quinta do Crasto would be top of the table. The Douro Valley in Portugal is now a UNESCO World Heritage site, and the grandeur and magnificence of the sheer river valley slopes, with terraces of vines clinging courageously to the crumbly rocky soils, makes you catch your breath in wonder. They've been growing grapes here since 1615. But it's only since the arrival of a brilliant Australian winemaker in 1994 that they began making the lush, scented, deeply satisfying red wines they are now renowned for. This Crasto Superior manages to be serious and dark, filled with chocolate and damson richness, yet it's also freshened by mouth watering cranberry acidity, and a perfume halfway between damp rose petal and a waft of mineral dust.

Kopke 10 years

Making great tawny port is a time-consuming business. Port wine that starts life fiery and purple and aggressive must be gently softened and mellowed, the rough edges smoothed away, the fire replaced by warmth, the purple slowly lightened to russet and chestnut and amber. All this happens in old barrels placed in dark cool cellars and barely disturbed for years. Well, Kopke have had enough practice. They are the oldest Port house in existence, being founded in 1638. This lovely wine is positively rich, but blends a heady, raisiny warmth with the freshness of rosehip and red cherries. Kopke have won Trophies at the International Wine Challenge, the International Wine and Spirit Competition and the Decanter World Wine Awards
